Raul Zavaleta amongst List of Who's Who in Life Sciences

Indianapolis, Ind., (06/06/2011) - Indigo BioSystems is proud to announce that Raul Zavaleta, CEO of Indigo was named to the Indiana Business Journal's list of Who's Who in Life Sciences.

As published in the IBJ, "Formidable brainpower sums up the individuals included in our list of Who's Who in Life Sciences. While our other lists have been confined to the greater Indianapolis area, this list stretches well beyond, recognizing the regional nature of this field. In this predominately peer-nominated and peer-reviewed process, we've opened the field to doctors, researchers, attorneys, entrepreneurs and more."
